YOUSEF ALOGIELY

Riyadh, SA | (+966) 553154794 | Yousef.alogiley@gmail.com | @GitHub | @LinkedIn

SUMMARY

Senior Computer Science student specializing in **AI, Machine Learning, and Backend**. Combines **data analysis** skills with **backend engineering** to design and deploy scalable predictive systems.

EDUCATION

Bachelor of Computer Science September 2021 – June 2026
Qassim University, College of Computer, Burydah
GPA: **4.97 out of 5.00**

WORK EXPERIENCE

Maintenance Specialist August 2023 – March 2024
Deanship of E-Learning and Information Technology, Qassim University

- **Optimizing** core functions and classes, significantly boosting **system performance** and **computational efficiency.**
- **Refactored** legacy codebases to align with modern **clean-code principles**, enhancing **readability and reducing technical debt**.

PROJECTS

ASL Alphabet Recognition (2025)

- Fine-tuned **EfficientNet-B0** for **American Sign Language (ASL)** alphabet classification..
- Applied advanced preprocessing using **hand keypoint detection, precise hand cropping, and background segmentation** to remove noise and improve robustness.
- Achieved **95% test accuracy** with reliable real-time gesture recognition

VidChat – AI-Powered Video Intelligence Platform (2026)

- Developed an **AI** application that **extracts and summarizes key insights** from YouTube videos.
- Enabled **conversational Q&A** with. **multilingual text-to-speech playback (English, Arabic)**.

AuraChat – Secure Real-Time Messaging Application (2024)

- Built a real-time messaging platform using **Flask** and **WebSockets** for **low-latency communication**.
- Implemented **Two-Factor Authentication (2FA)** for enhanced account security.
- Secured messages using **AES encryption** to ensure data privacy.

CERTIFICATIONS

- **Deep Learning Specialization, Coursera (Andrew Ng – DeepLearning.AI)** August 2025
- **Samsung Innovation Campus AI (Samsung – Misk)** October 2025 – December 2025
- **Google Advanced Data Analytics Certificate, Coursera (Google)** February 2025
- **Python Django – The Practical Guide, Udemy** (**Academind**) August 2023

SKILLS

- Teamwork
- Communication
- Time Management
- Python
- Django
- Pandas for Data Analysis & Visualization
- Pytorch / TensorFlow
- Excel / PowerBI
- SQL
- Machine Learning
